Monthly Activity Report

July 2021

This month there have been new Covid restrictions in Jakarta and throughout Indonesia which has forced us to put some projects on hold for now. Thank you for your support and prayers during this time.

HELPING ORPHANAGES IN JAKARTA

Esther visits 4 different orphanages in the **Jakarta** area to deliver donated food items. Due to Covid restrictions many are finding it more difficult to get the needed food supplies.

DELIVERING MEALS IN TANGERANG

Working together with our local housing complex and friends we helped to deliver prepared meals to needy individuals on the streets of **Tangerang**. At lunch time we would drive around and look for people on the side of the street who seemed to be in need of something to eat and give them a boxed meal. Most of the time we would just pass it to them through the window of the car to avoid any mass gatherings but on a few occasions we would get out and greet them to deliver the meals. This was a lot of fun to see the smiles on the faces of those receiving the meals. Some of our friends also joined us on one occasion and we hope that this trend will spread.
