Monthly Activity Report

September 2021

◇◇◇◇◇◇◇◇◇◇ **PROJECT IN ATAMBUA, NTT** ◇◇◇◇◇◇◇◇◇◇

This month Esther was able to continue our project in **Atambua**. We have been planning to visit there for quite a while but had to postpone due to Covid restrictions. We had shipped goods from Jakarta months ago so this was a relief to finally go there and deliver the goods to the needy people in this area.

CONTINUATION OF PROJECT IN ALOR

Similar to Atambua we have also been shipping goods to **Alor** for many months now hoping to return there after our trip in April of this year. This month our team of Esther and Francis visited Alor and traveled to many villages and outer islands to deliver all the goods that we had shipped from Jakarta.

Dina was also able to print a special *Christmas* magazine in **Bandung** which we will distribute to inspire others with this message of hope and cheer.

MEALS FOR THE NEEDY IN BANDUNG

Thanks to our friends in **Bandung** who sponsored meal boxes we were able to travel around Bandung and deliver meals to needy people that we randomly meet on the streets.

Future Horizon Foundation expresses its gratitude to all of our friends whose generous support has made possible the projects featured in this report. We find great satisfaction in working in a country where being of service to one's fellow man and helping those in need is highly valued. As a non-profit volunteer organization, all of our activities are funded through the support of those who share our vision. We warmly welcome your participation. **Together we can make a difference!**
